

Unit 8 Sample Dialogue 2

Student Name: _____

Role A: Accident victim

Situation- You have been hit by a car while riding your bike. You have been rushed to the hospital. Your back hurts, your legs are sore, and your skin is badly scraped.

Role B: Doctor

Situation- Your patient has been brought to the hospital by ambulance. He/she is in great pain. Conduct an examination.

Vocabulary to use: pain, bruise, weight, blood pressure, allergic, neck, head, leg, ankle, hurt, medicine, pharmacy, rest

Students should read through sample dialogue with partner before creating their own.

Sample:

B: Hello, _____. I'm Dr. Anon. What happened?

A: My body hurts. Oohhh!!

B: Did you fall?

A: No, I didn't fall. I was hit by a car.

B: Wow!! Were you walking?

A: No, I wasn't walking. I was riding my bike.

B: Your head looks okay. Were you wearing a helmet?

A: Yes, I was wearing my helmet.

B: That's good. You should always wear a helmet when riding a bike. Tell me what hurts.

A: My back hurts and my legs are sore.

B: Let me see. You're going to need a cast on your left leg. I'm going to clean your scrapes and put bandages on them.

A: Thank you, Dr. Anon.
